

Related Board Goal: Student Achievement Safe Learning Environment

 System Focus: Literacy Numeracy School Culture

School Goal: To Improve our 54% (Level 3 / 4) success rate with our grad 9 Applied Math Program Students & Improve Academic Program Success Rate of 82%.

Strategies	Timeline	Responsibilities	Measurable Outcomes
1. Summarize EQAO & report Data of incoming grade 8's	Sept / Oct. 2009 –stats release Nov. Analysis – Dept level	Pgm Dept - LKDSB Administrative Team SS Teacher Math - CL / Contact / Dept –Pgm Release \$ avail. 0.5 day	Indicator grid available re: appropriate program placement and ability range -still parent driven despite stats
2. Formative Math Skills Test	1 st week of September	Math CL or Math contact Interdisciplinary Teachers to free up time to do test in set period	At risk list generated by Math Dept. for their own usage (Moderated Marking)
3. Resource Teacher Support (Proposed)	Semester I	Identify weakest MFM1P / MAT1L sections & place LC Teacher directly in to work with students –R.Goodall	Pilot Project as suggested by S.O. of Special Education Assess impact via exit (summative) testing
4. Moderated Marking Inservice	Nov. 2009	Math Contact - K.Sullivan Gr. 9 & 10 Teachers	Standardized Approach
5. Feeder School Meetings (Proposed)	Fall 2009 / Winter 2010	Principals – Beattie, Balkwill, Sherman Program Department Math Contact Teacher – Grade 9 & 10	Better transitions between panel's curriculum stream -meet to go over EQAO results of former students.
6. End of Term(s) EQAO Gr. 9 test Implement and review results for strengths & weaknesses	Jan. 2010 June 2010	Principal organizes Gr. 9 Teachers Math Contact LC Teacher	Hard results from EQAO
7. Provide short exercise or nutrition Breaks for students prior to test (pending)	Before EQAO test at end of each semester	Lit Team / Phys Ed Dept.	Tests show improved results due to better concentration.
8. Cross Curricular – more integrations of numeracy skills	ongoing	CL's to lead charge	le. Evidence of electronic business tools to support numeracy skills such as Excel, stockmarkets.
